ATTENTION: Chief, Benefits and Services Division
SUBJECT: Appreciation of Performance by the
Agency Chorale at Building 213

1. I wish to express the sincere thanks and appreciation of myself and other personnel of this Center to the Agency Chorale for its fine performances given in Building 213 on Wednesday. The selection of the carols and other music, the manner in which the choir was conducted, the solo numbers, and the quality and depth of the interpretations all reflected the general excellence of the performers.

2. The Christmas Concert was an inspiration to all of us at the Center, and we are indebted to [redacted] for their efforts in making the presentation possible. We look forward with pleasant anticipation to other performances in the future.
